2. Budget of PR committee

We are putting a motion for consideration to area – to increase our monthly budget by \$60. Currently our monthly budget is around _____ 120. Each month we use this to pay for the phone services which costs _____ and make schedules which cost around \$60 a month, leaving no other money for materials.

We will be using this budget for continuing to do outreach with the places we are reaching out to, will be ready to get some materials if we are asked to do a presentation somewhere, etc.

3. PR Outreach

This month I called and finished getting contact information for the PR packets that will be mailed out with a letter, meeting schedules, PR info pamphlets, IPs, and a poster.

I have called and am mailing information to:

- 11 substance abuse/ mental health facilities
- 6 community / social service centers or locations
- 5 police stations
- 3 colleges (1 college talked to, 2 are pending contact)

Pending contact - 6 high schools (later in summer when school is in session will be better time to contact.

We are looking for contact information for: Other places we can put PSAs, or the same info we have in our posters. Ideas: newspapers, bulletins, other radio stations, other free places to get helpline and our name out!

5. Other updates

Carolina Regional Committee:

I attended a PR/H and I workshop in the New Hope area yesterday, and talked about

6. Information about getting NA helpline information – as “psas/ ads” on buses in Chapel Hill.

I gathered some of the information about this from the Chapel Hill website. I will be contacting the main contact, getting a cost estimate on the output of the ad/materials, and getting more information about this.

7. Postering

Some places I would like to get help getting posters and schedules out it:

- Hospital emergency rooms
- Public Libraries

If you have willingness to help with this– please contact Kristen F.

If you or your homegroup wants to learn about postering – I will come to your home group, and even bring supplies so you can help get posters up in your town, and in our area!

Anyone can help us with this project – if you know our local area well, or are interested in helping to talk to others about postering! We need your help for this project!
